## RIDGEHAVEN GREEN BUILDING

The City of San Diego Ridgehaven “Green Building” is one of the nation’s most energy efficient buildings. In 1999, Ridgehaven was honored with the U.S. Department of Energy and the U.S. Environmental Protection Agency’s (EPA) first **Energy Star Label** for Buildings and in 2002 the EPA recognized Ridgehaven as one of the **top energy performing buildings** in the nation. The Ridgehaven Green Building is nationally recognized as one of America’s greenest buildings, and has played a significant role in the creation and evolution of the LEED® Green Building Rating System.
