a diverse journey through San Diego's sustainable architecture

Friday, September 25, 2009

8:30am – 4:30pm*

Guided Bus Tour

Site tours by project Owners, Architects, and Consultants

Earn: 4.0 AIA HSW/Sustainable Design LUs

Encina Wastewater Treatment Facility

Platt/Whitelaw Architects, Inc., AIA

Learn how a local water agency is facing the water conservation challenge.

Lux Art Institute

Renzo Zecchetto Architects, AIA

See "art happen" at one of the county's first cultural facilities that embraces sustainability and balances artistic vision with ecological conservation. Slated to be the first LEED certified "green" art museum. **Admission to the Institute is included in the ticket price!**

Steiner Residence

Laurie C. Fisher, AIA - Architect

Jazzy remodel of Coronado home- take a dip in the pool while we take a break for lunch at this green private residence! **Lunch is included in the ticket price!**

Columbia Center

Architects | Delawie Wilkes Rodrigues Barker, AIA

Visit this downtown multi-tenant office building that was the first LEED Gold Certified Project in San Diego under the new LEED-EB:O&M rating (LEED-Existing Building: Operations & Maintenance Gold).

Hotel Indigo

Joseph Wong Design Associates, FAIA & Food Service Design Group, Allied AIASD

First LEED Certified Hotel in San Diego... **PLUS...** get an exclusive tour of the energy efficient kitchen and complementary wine at the hotel lounge courtesy of Food Service Design Group.
